Report on the Financial Statements

We have audited the accompanying financial statements of Los Angeles Leadership Academy (the Academy), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to on page 1 present fairly, in all material respects, the financial position of the Academy as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the Academy's financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. The LA Leadership Academy, LA Leadership Primary Academy, CMO, and Eliminations columns in the statements of financial position, activities, and cash flows as well as the supplementary information (as listed in the table of contents) accompanying the financial statements, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated December 2, 2021 on our consideration of the Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on the Academy's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control over financial reporting and compliance.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Los Angeles Leadership Academy (the Academy) is a California nonprofit charter school organized for the purpose of providing sixth through twelfth grade education to students. In 2011, the Academy was expanded and now includes the Los Angeles Leadership Primary Academy charter which currently serves kindergarten through fifth grade. The Charter Management Organization (CMO) is the cost center for the Academy which holds the two charters. The Academy is economically dependent on state and federal funding.

The charters may be revoked by the Los Angeles Unified School District for material violations of the charters, failure to meet pupil outcomes identified in the charters, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the Academy's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

Cash and Cash Equivalents

The Academy defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2021. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset.

Contributed Assets and Services

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair values in the period received.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the Academy based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Contributions

All contributions are considered to be available for without donor restriction use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as with donor restrictions. Restricted contributions that are received and released in the same period are reported as without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair market value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the Academy has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2021, the Academy has conditional grants of \$4,349,507 of which \$502,443 is recognized as deferred revenue in the statement of financial position.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the Academy is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the Academy. The entire compensated absences liability is reported on the statement of financial position. Employees of the Academy are paid for days or hours worked based upon board-approved schedules which include vacation. Sick leave is accumulated without limit for each employee at the equivalent rate of one day for each full month of service. Sick leave with pay is provided when employees are absent for health reasons.

Income Taxes

The Academy is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The Academy is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The Academy files an exempt School return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Subsequent Events

The Academy has evaluated subsequent events through December 2, 2021, the date these financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures are comprised of the following as of June 30, 2021:

	LA Leadership Academy	LA Leadership Primary Academy	CMO	Total
Cash and Cash Equivalents	\$ 2,908,941	\$ 1,887,310	\$ 96,421	\$ 4,892,672
Accounts Receivable - Federal and State	1,779,323	1,229,814	-	3,009,137
Less: Net Assets With Donor Restriction	(41,640)	(30,175)	-	(71,815)
Total	<u>\$ 4,646,624</u>	<u>\$ 3,086,949</u>	<u>\$ 96,421</u>	<u>\$ 7,829,994</u>

As part of the Academy's liquidity management plan, the Academy monitors liquidity required and cash flows to meet operating needs on a monthly basis. The Academy structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

NOTE 3 CONCENTRATION OF CREDIT RISK

The Academy maintains cash balances held in banks which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The Academy has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. The Academy capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. Depreciation expense for the year ended June 30, 2021 was \$252,358.

The components of property, plant, and equipment as of June 30, 2021 are as follows:

	LA Leadership Academy	LA Leadership Primary Academy	Total
Building	\$ 5,244,129	\$ 3,057,903	\$ 8,302,032
Equipment	333,142	96,235	429,377

Property, Plan, and Equipment, Net	<u>\$ 3,929,393</u>	<u>\$ 2,392,057</u>	<u>\$ 6,321,450</u>

NOTE 5 EMPLOYEE RETIREMENT

Qualified employees are covered under multiemployer defined benefit pension plans maintained by agencies of the state of California. Certificated employees are members of the State Teachers' Retirement System (STRS).

The risks of participating in this multiemployer defined benefit pension plan are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law, and (c) if the Academy chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. The Academy has no plans to withdraw from this multiemployer plan.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

NOTE 5 EMPLOYEE RETIREMENT (CONTINUED)

State Teachers' Retirement System (STRS)

Plan Description

The Academy contributes to the State Teachers' Retirement System (STRS), a cost-sharing multi-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2020 total STRS plan net assets are \$283 billion, the total actuarial present value of accumulated plan benefits is \$405 billion, contributions from all employers totaled \$6.1 billion, and the plan is 67.1% funded. The Academy did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826 and www.calstrs.com.

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The Academy is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2021 was 16.15% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

The Academy's contributions to STRS for the past three years are as follows:

NOTE 6 OPERATING LEASES

2670 Griffin

In April 2009, the Academy entered into a Commitment Letter with NCB Capital Impact (NCB), pursuant to which NCB would finance a portion of the purchase price of a property located at 2670 Griffin, Los Angeles, California provided that it was purchased by a special purpose entity, 2670 Griffin and then leased back to the Academy.

In June 2009, 2670 Griffin purchased the aforementioned property and became the borrower under the NCB Loan Agreement. The Academy then entered into a 120-month operating lease agreement commencing June 5, 2009 with 2670 Griffin.

During the year ended June 30, 2019, the Academy exercised an option to extend the lease for ten additional years through June 2029. Rent expense associated with the 2670 Griffin lease for the year ended June 30, 2021 was \$687,523.

As part of the lease, the Academy guaranteed 2670 Griffin's obligations under the NCB Loan Agreement and advanced \$266,793 to pay for the closing costs of escrow. As of June 30, 2019, the advance has been fully amortized over the term of the lease.

The future minimum payments due to 2670 Griffin under these operating lease agreements are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2022	\$ 687,523
2023	687,523
2024	687,523

2026	687,523
Future Payments Thereafter	<u>2,897,419</u>
Total	<u><u>\$ 6,335,034</u></u>

Florence Crittenton Center (FCC)

In January 2008, the California School Finance Authority (CSFA) granted the Academy \$1,047,000 in order to purchase property from the Florence Crittenton Center (FCC). The purchase price was \$2,096,000, the sum of the CSFA grant and the existing mortgage held by the Community Redevelopment Agency (CRA). As part of the purchase, the Academy assumed the CRA mortgage for \$1,049,000.

NOTE 6 OPERATING LEASES (CONTINUED)

Florence Crittenton Center (FCC) (Continued)

In June 2009, the Academy transferred title to this property back to FCC. In exchange, the Academy received an unsecured purchase money note in the amount of \$3,000,000. The note has a term of 10 years and bears an annual interest rate of 5%, with principal and interest payable at maturity. As part of the transfer, FCC assumed the CRA mortgage for \$1,049,000. Due to the continuing involvement in this sale-leaseback, the sale was recorded using the deposit method. Under the deposit method of accounting for the sale-leaseback, the Academy continues to report in its financial statements as the net property and note payable from the CRA mortgage loan until the CRA loan is paid and the full amount of the purchase money note has been received.

The Academy entered into a 120-month operating lease agreement commencing June 5, 2009 with FCC. In September 2012, the agreement was amended increasing the required monthly payments to \$264,000 per year. During the year ended June 30, 2019, the Academy exercised an option to extend the lease for ten additional years through June 2029.

Future minimum payments due to FCC under this operating lease agreement are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2022	\$ 270,098
2023	270,098
2024	270,098
2025	270,098
2026	270,098
Future Payments Thereafter	810,294
Total	<u>\$ 2,160,784</u>

NOTE 7 FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function(s). Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, other fees for services, office expenses, information technology, occupancy, and other expenses, which are allocated on the basis of estimates of time and effort.

NOTE 9 NOTES PAYABLE

On May 1, 2020 the Academy received a loan from Pacific Western Bank in the amount of \$1,479,000 to fund payroll, rent, utilities, and interest on mortgages and existing debt through the Paycheck Protection Program (the PPP Loan). The original loan agreement was written prior to the PPP Flexibility Act of 2020 (June 5) and was due over twenty-four months deferred for six months. Subsequent to this, the law changed the loan deferral terms retroactively. The PPP Flexibility Act and subsequent regulations supersede the loan agreement. The PPP Loan bears interest at a fixed rate of 1.0% per annum, with the first six months of interest deferred, has a term of two years, and is unsecured and guaranteed by the U.S. Small Business Administration. Payment of principal and interest is deferred until the date on which the amount of forgiveness is remitted to the lender or, if the organization fails to apply for forgiveness within 10 months after the covered period, then payment of principal and interest shall begin on that date. These amounts may be forgiven subject to compliance and approval based on the timing and use of these funds in accordance with the program. To the extent that all or part of the PPP Loan is not forgiven, the Academy will be required to pay interest on the PPP Loan at a rate of 1.0% per annum, and commencing in August 2021 principal and interest payments will be required through the maturity date in May 2022.

In February 2021, the principal amount of \$1,479,000 and corresponding accrued interest was forgiven by the financial institution and U.S. Small Business Administration. The SBA may review funding eligibility and usage of funds for compliance with program requirements based on dollar thresholds and other factors. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Academy's financial position.

NOTE 10 CONTINGENCIES, RISKS AND UNCERTAINTIES

The Academy has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

In prior fiscal year, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. Subsequent to year-end, the COVID-19 pandemic continues to have significant effects on global markets, supply chains, businesses, and communities. Specific to the Academy, COVID-19 may impact various parts of its 2022 operations and financial results, including, but not limited to, loss of revenues, additional bad debts, costs for increased use of technology, or potential shortages of personnel. Management believes the Academy is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events are still developing.

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the Academy and whether the Academy complied with the provisions of California Education Code.

NOTE 2 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

NOTE 3 SCHEDULE OF EXPENDITURE OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Academy under programs of the federal governmental for the year ended June 30, 2021. The information in this Schedule is presented on the accrual basis of accounting in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Such expenditures are recognized following the cost principles contained in the Uniform Guidance for all awards with the exception of Assistance Listing 21.019, which follows criteria determined by the Department of Treasury for allowability of costs. Under these principles, certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Because the Schedule presents only a selected portion of operations of the Academy, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Academy.

NOTE 4 INDIRECT COST RATE

The Academy has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Los Angeles Leadership Academy (the Academy), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 2, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Academy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED
BY THE UNIFORM GUIDANCE**

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

Report on Compliance for Each Major Federal Program

We have audited the compliance of Los Angeles Leadership Academy (the Academy) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021. The Academy's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and terms and conditions of federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Academy's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Academy's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Academy's compliance.

Opinion on Each Major Federal Program

In our opinion, the Academy complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the Academy is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Academy's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance, for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies in internal control over compliance such that there is a reasonable possibility, that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
