c) Motioned Approved

B. What is working?

1. Was addressed in learning continuity plan

2. Future → get more stakeholder input for
teacher computers

C. Concerns

1. Each site selected the technology need based
on what the site needed

D. Updating laptops

1. Staff support

V. Additional support for ELs

A. One on one for those who are not reclassified

B. We did not have the Reclassification test but the rates
from the previous spring scores were higher than
previous years

C. HS is providing additional supports with labs, EL class

1. Learning while learning was purchased with
grant money

D. MS - Learning Lab and in the process of hiring an RTI
teacher

E. Concern why can't we provide the support the
students are receiving in the HS in the lower grades

1. What is happening with the students that have
been at lala since kinder and they are now in
8th grade and still have not passed the test?

a) PA - Dual immersion program and

	<p>English is gradually increased as they progress the grades. Currently we are adding a supplemental program to target this concern for english acquisition. Each year the numbers have increased in the primary with changing this format of english instruction but the concern is the balance of the dual immersion program.</p> <p>b) MS & HS - We are using the funds from the grants to get the professional development for the teachers in order to better meet the needs of the ELs. Each year we are trying to increase its percentages. We are being creative</p> <p>VI. Zoom update on business accounts</p> <p>A. Friday Sept. 11, 2020</p> <p>B. Accounts have been submitted and are for teachers</p> <p>VII. Roles and Responsibilities</p> <p>A. Documents should be sent 24 hours in advance for all members</p> <p>B.
